

# Easy Worship Custom Key Bindings Guide

## 1 - Windows Arrows Key Bindings

## Summary of used colours

**RED BOX / RED COLOR ARROWS** = Main Controls

**BLUE BOX / BLUE COLOR ARROWS** = Secondary / Backup Controls

**Orange Colour Arrows** = Go to First Slide or Second Slide

**Purple Colour Arrows** = Control Scroll Bar

## 2 - “Windows Desktop Switcher” Script Key Bindings

**Numpad 1** = Go to Windows Virtual Workspace 1  
(Main Windows Workspace)  
[PowerPoint]

**Numpad 2** = Go to Windows Virtual Workspace 2  
[Easy Worship]

**Numpad 3** = Go to Windows Virtual Workspace 3  
(Backup Workspace)

- The Windows Desktop Switcher script does not create this workspace.
- If you want to use workspace 3, you must create it manually.

- The Windows Desktop Switcher also manages Control Scroll bar and Go to Second slide.

### Create a New Virtual Desktop

You can do this by pressing the "Caps Lock" key and the "C" key at the same time.

(Caps Lock + C)

### Delete the Current Virtual Desktop

You can do this by pressing the "Caps Lock" key and the "D" key at the same time.

(Caps Lock + D)
